

# Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

### Description

BC Public Service

Ministry of Forests, Lands, Natural Resource Operations & Rural Development

Smithers

Senior Advisor, First Nations Relations

Apply your resource management expertise and negotiation skills in this important role

Salary \$65,367.78 - \$81,773.78 annually

This posting is to establish an eligibility list for future permanent and/or temporary vacancies in Smithers, BC. A

Temporary Opportunity for 18 months is currently available; this may be extended and/or become a permanent

placement. This position is also posted as a Scientific Technical Officer [Resource] 27R via Requisition 62827.

The Ministry of Forests, Lands, Natural Resource Operations and Rural Development is the Province's agency responsible for land and resource management in BC, which includes the protection of the Province's

archaeological and heritage resources. Operating on a provincial land base of over 94 million hectares, the Ministry ensures the sustainable management of forest, wildlife, water and other land-based resources; works with Indigenous and rural communities to strengthen and diversify their economies; and, supports activities that provide environmental, economic, cultural and social benefits.

Gain experience and play the lead role in responsibilities that will include supervision, training, and elements of leading system set-up in the area of consultation. Recruitment will focus on skills and experience related to three major themes: training and First Nations resource development for the Skeena Stikine Natural Resource District staff; problem solving and issues management in the natural resource sector; as well as consultation knowledge and experience. This position will supervise staff.

Qualifications for this role include:

• Degree in the natural resource field or equivalent as recognized by the relevant association.

• Registered, or immediately eligible for registration, with the British Columbia professional association as required by the specialty area [i.e. Association of Forest Professionals, Institute of Agrologists, Engineers and Geoscientists BC (Association of Professional Engineers and Geoscientists of the Province of British Columbia)].

• Experience in participating in consultations/negotiations with First Nations.

• Experience conducting research and analysis related to land use, resource management, social or economic development issues.

• Experience in policy development and implementation.

### How to Apply
