

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Link's Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Contracting Attorney - Associate Manager

Contracting Legal Professionals (CLP) in Accenture's Corporate Functions organization coordinate and deliver legal, contract and commercial counsel in support of Accenture's business. CLPs identify and help manage and mitigate risk and ensure ethical behavior and compliance with laws and company policies, while providing guidance and negotiating contracts leveraging commercial and market relevant positions.

Job Summary:

Review, draft, and negotiate several types of contractual agreements in a fast-paced corporate environment which may include: master services agreements, outsourcing agreements, statements of work, service level agreements, licensing agreements, SaaS agreements, data transfer agreements, requests for proposals and agreements involving cloud, blockchain security, automation, systems integration and agile development. Team with more senior CLPs in supporting more complex contracts and deal structures. Act, and continuously evolve as, a knowledgeable and relevant advisor on legal and commercial risks associated with transactions.

Key Responsibilities:

- Independently, and help to, structure, negotiate and close client transactions to be most advantageous from a legal and business perspective
- Strategize with senior CLPs and internal business clients prior to client negotiations
- Stay abreast of developments affecting the company, its clients, and industries and synthesize the information to incorporate it into company's transactional practices
- Educate and advise company executives with respect to legal and risk management issues
- Develop subject matter expertise in one of more areas that benefit Legal and/or our business
- Participate in developing internal guidelines, toolkits, and packaged knowledge capital on various legal and business issues
- Support, promote and implement Legal Group initiatives
- Embrace and evolve to gain expertise in seven Contracting attributes, including becoming a pathfinder, architect, business-minded, nonconformist, inspired, relevant and technology enabled contracting professional

Relationships:

Reports to: Contracting Lead

Supervises: No direct supervisory responsibility

External Relationships: Accenture client executives and negotiating teams; Outside Counsel

Basic Qualifications:

• JD (or equivalent)

• Authorized and licensed to practice law in at least one jurisdiction

• Minimum 4 years of transactional experience in digital, consulting, systems integration, and/or outsourcing areas in roles with increasing responsibility, such experience should be in a law firm or in a fast-paced corporate legal/transaction group in a relevant industry

• Minimum of 2 years of experience negotiating Intellectual Property and Data Privacy issues preferred

• Travel required.

Preferred Qualifications:

• Accomplished negotiator with an understanding of principle-based negotiation strategy and tactics including the ability to present alternatives with proposed solutions

• Proven ability to efficiently manage a large volume of transactions independently

• Experience negotiating and drafting technology-based agreements

• Understand basic principles of Finance, Accounting, Marketing, and Management

• Strong executive presence

• Good understanding of contracting/risk issues, including IP, as they apply to digital, consulting, systems integration, and outsourcing transactions

• Excellent oral and written communication skills

Professional Skills Requirement:

• Candidates who are currently employed by a client of Accenture or an affiliated Accenture business may not be eligible for consideration.

• Demonstrated teamwork and collaboration in a professional setting; either military or civilian
