Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

The Company:

First Nations Bank of Canada (www.fnbc.ca) is a federally chartered bank servicing Indigenous and non-Indigenous customers throughout Canada. We are focused on delivering superior customer service and offering a full range of personal and business banking products. As an equal opportunity employer, we are rapidly expanding in the Canadian marketplace and provide our employees the opportunity to advance in their career.

The Challenge:

Reporting to the Technical Infrastructure Manager , the Server Administrator implements and supports the organizationâ€™s server infrastructure. These activities include system installation, configuration, and user support. The Server Administrator is a key member of the Help Desk team and works to resolve technical incidents reported by end users either as first line support or 2nd tier support. They will stay abreast of new technologies and methodologies and apply their knowledge to the FNBC environment.

Responsibilities: The Server Administrator will:

â€¢ Maintain, support and troubleshoot server infrastructure including - Windows and Exchange servers in a virtualized setting

â€¢ Configure, test and manage backups

â€¢ Work with vendors on evaluating new technology and solutions and resolving any outstanding incidents and problems with systems already in use.

â€¢ Manage multiple projects including implementation of new hardware and software as required

â€¢ Provide support to end users on a variety of issues

â€¢ Additional responsibilities may include other tasks or projects as required

Location: This position will be based at our Head Office in Saskatoon on a Monday through Friday work week.

Experience

Minimum 5 years experience supporting common desktop hardware and software in an enterprise environment

Education Requirements

Degree or certificate from an approved technical college in a computer-related field such as computer science, information science or management information systems (an equivalent combination of education, training and experience may also be considered)

Essential Skills

• In-depth experience with supporting Windows Server including install, configuration and maintenance for 2012, 2016 server

• Strong knowledge of Microsoft Exchange

• Experience with Microsoft Cloud offerings (Azure AD, Office 365) would be beneficial

• Experience with SQL server would be beneficial

• Experience with firewalls and switches, would be beneficial

• Aptitude to recognize and maintain confidentiality and discretion with sensitive and confidential information

• Strong analytical, organizational and time-management skills

• Strong interpersonal and communication skills

• Friendly enthusiastic self-starter and strong team player

• Flexible and willing to take on tasks as assigned

How to Apply

Please submit your cover page and resume to: hr@fnbc.ca

We thank all candidates for their interest, however; only those selected for an interview will be contacted.
