

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Ministry of Forests
Multiple Locations
Planning Forester
Hybrid

BC Timber Sales (BCTS) is a unique program of the Ministry of Forests (MOF). Working collaboratively with regional and district operations, BCTS plans, develops, and auctions a substantial portion of the province's annual available timber volume. BCTS operates as a for profit entity within a government organization. Its goal is to provide credible representative price and cost benchmark data for the Market Pricing System through auctions of timber harvested from British Columbia's public land. BCTS operations are guided by three overarching principles, forest sector safety, reconciliation with Indigenous Peoples and sustainable forest management.

As a Planning Forester, you will analyze and produce a wide range of data to develop integrated resource and operational plans, primarily the Forest Stewardship Plan (FSP) and operating plans. You will develop and implement results and strategies to meet the FSP and ensure planning components meet legislative, operating, and certification requirements. You will also provide functional direction to field team professionals and technicians with expertise in timber development, harvesting, engineering and silviculture. Building and maintaining relationships with representatives from Indigenous Peoples, resource stakeholders, Ministry and industry contacts will also be a key component of the role.

Qualifications for this role include:

- A Registered Professional Forester (RPF) or be eligible for registration as an RPF with the Forest Professionals British Columbia (FPBC) and two years of experience in operational field forestry activities.
- Operational field forestry activities include the following:
 - Timber harvesting monitoring/conformance
 - Cut-block development
 - Forest road engineering
 - Silviculture
 - Timber tenure development and administration
 - Planning integrated resource management
- Must possess at minimum a valid Class 5 B.C. Driver's License that does not limit or restrict the ability to conduct the duties of the job.
- Successful completion of security screening requirements of the BC Public Service, which may include a criminal records check, and/or Criminal Records Review Act (CRRA) check, and/or enhanced security screening checks as required by the ministry (Note: It is important that you read the job posting carefully to understand the specific security screening requirements pertaining to the position).
