Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Link's Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

As an institution committed to art, design, digital media and related scholarship, OCAD University (OCAD U) recognizes the profound and essential value that diversity brings to the creation, reception and circulation of creative practices and discourse. OCAD U understands that valuing diverse creative practices and forms of knowledge are essential to, and enrich the institution's core mission and vision as an art and design university with a local and global scope.

As an employer committed to employment equity, we encourage applications from members of equity-seeking communities including women, racialized and Indigenous persons, persons with disabilities, and persons of all sexual orientations and gender identities/expressions. We encourage members of equity-seeking groups to self-identify within the voluntary Applicant Questionnaire.

In order to alleviate the under-representation of racialized and Indigenous tenured/tenure-track faculty and academic administrators, priority in hiring will be given to qualified racialized and Indigenous persons who self-identify as such in the application process. This initiative is a special program under the Ontario Human Rights Code.

OCAD U is committed to providing an inclusive and barrier free experience to applicants with accessibility needs. Requests for accommodation can be made at any stage during the recruitment process. Please contact Human Resources for more information or refer to OCAD U's Policy of Accommodation in Employment for Persons with Disabilities

All qualified persons are encouraged to apply; however, Canadians and permanent residents of Canada will be given priority. While we thank all candidates for their interest, only those short-listed will be contacted.
