

# Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Link's Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

### Description

Business Systems Analyst  
ITS Enterprise Applications  
Full-Time Position Available

Red River College is a leader in applied learning and innovation. Our talented team of employees is passionate about education, innovation and student success. We offer competitive salaries, extensive benefits, and the opportunity for personal and professional growth in a rewarding career. Reporting to the Manager, Enterprise Applications, the Business Systems Analyst works closely with the business areas to provide application support and implement changes to the supported applications. They are responsible for requirements gathering, analyzing data, determining alternative solutions, recommending a course of action, co-ordination of resources / meetings / training, testing changes, implementation support, and post-implementation support. The incumbent will be working within a team of Analysts and Software Developers supporting custom developed applications, third party applications, or system integrations.

### REQUIRED QUALIFICATIONS

- Diploma in Information Technology; a combination of education and experience may be considered
- Experience with requirements gathering and documentation
- Demonstrated experience with workflow and/or process flow mapping
- Experience with analyzing data and determining alternatives
- Demonstrated experience completing design changes
- Ability to complete functional testing to ensure changes are working as designed
- Demonstrated experience working in a cross functional environment, including a broad knowledge of standard business processes and of other areas within the IT field
- Ability to manage multiple priorities and projects from inception through to implementation
- Excellent interpersonal and verbal communication skills including the ability to communicate effectively with faculty and staff at all levels
- Strong organizational skills
- Exceptional time-management skills with demonstrated ability to manage change
- Values Diversity, Equity, and Inclusion
- Commitment to lifelong learning

### ASSET QUALIFICATIONS

- Experience working with a Student Information System in a post-secondary environment

### CONDITIONS OF EMPLOYMENT

- Applicants must be legally entitled to work in Canada
- This position may be required to work evenings and/or weekends
- This position may be required to work overtime
- This position may be required to travel
- Incumbent must provide a current and satisfactory Criminal Records Check
- Valid Class 5 drivers license

### How to Apply

Applicants are to clearly demonstrate how they satisfy the selection criteria in their written submissions and must identify the competition number they are applying for in the subject line of the email

Apply to Red River College by email: [humanresources@rrc.ca](mailto:humanresources@rrc.ca)

An eligibility list may be created for similar casual, part-time, full-time, and term positions

We seek diversity in our workplace. Aboriginal persons, women, visible minorities and individuals with disabilities are encouraged to apply.

Competition #: 2018-196

Closing Date: November 23, 2018

Salary: \$51,576 - \$70,603 per annum\*

We thank all applicants for their interest, but only those selected for an interview will be contacted. Red River College provides accommodations to applicants with disabilities throughout the hiring process. If an applicant requires accommodation during the application or selection process, Human Resource Services will work with the applicant to meet the accommodation needs.
