

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

ABOUT US

Canuck Place Children's Hospice (CPCH) is British Columbia's recognized pediatric palliative care provider. For over two decades, through the many programs and services we provide, we have made a significant difference in the lives of children with life-threatening illnesses and the families who love them. Be part of a talented and innovative team that takes pride in supporting and providing the highest quality pediatric palliative care.

It is the expectation for all roles across the organization to know the organization's philosophy of pediatric palliative care and uphold a commitment to further ones knowledge. Our philosophy of pediatric palliative care is as follows: Pediatric palliative care improves quality of life, promotes comfort, and reduces suffering for children with life-threatening conditions (serious illness) and their families through a holistic approach addressing; physical, emotional, social and spiritual needs. It is collaborative person & family-centered care delivered using a team-based approach throughout the continuum of care across all ages and stages of illness, including bereavement. It values choice and honest and compassionate communication.

At Canuck Place we understand that uniqueness is powerful. We hold each other accountable for an inclusive environment where employees feel empowered to share their experiences and ideas and know that they belong. We believe diversity drives innovation and the best pediatric palliative care for children and their families therefore we welcome that every person brings an individual perspective and experience to advance our mission. We have more work to do to advance diversity and inclusion and we are building a culture where difference is valued. We have a commitment to inclusion across gender identity or expression, sexual orientation, religion, ethnicity, age, neurodiversity and disability status, to ensure our team members are empowered to bring their full, authentic selves to work. All staff are encouraged to contribute their perspective and lived experience through our internal employee groups such as Care 4 the Caregiver, Culture, DEIB (Diversity, Equity, Inclusion & Belonging), Green Team, Truth and Reconciliation and Wellness Committees.
