

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Company	EPCOR	
Location	Edmonton, Alberta	
Date Posted	From: 2022-01-10	To: 2050-01-01
Job	Type: Full-time	Category: Utilities

Description

In order to ensure the health and safety of our teams, EPCOR requires all new hires to be fully vaccinated against COVID-19. Candidates who cannot be fully vaccinated on the basis of a protected legal ground may request an accommodation. We ask all candidates to consider this requirement when applying for a role at EPCOR. Highlights of the job

We're hiring up to one (1) full-time permanent Analyst, Consolidated Budgeting and Forecasting working out of Edmonton, AB. We're seeking to hire an enthusiastic and experienced budgeting and forecasting specialist to join our Corporate Reporting team. As the Consolidated Budgeting and Forecasting Analyst, you will report to the Manager, Financial Reporting, and you will be accountable for managing and consolidating EPCOR's budget and forecast process across multiple business units. Additionally, you will be the administrator for our company-wide planning tool, Adaptive Insights. What you'd be responsible for

Acting as Corporate Administrator for the Adaptive Insights software, which includes but is not limited to: Maintenance of the organizational structure, chart of accounts, versions and user groups; Creation of migration documents and migration of configuration changes; and Proof of concept and user acceptance testing as required.

Developing report building and other Adaptive skills in order to fully leverage Adaptive capabilities for forecasting, budgeting and other reporting purposes. Supporting the Manager, Financial Reporting in developing, implementing and updating the budget and forecast process for EPCOR including: Preparation of instructions and templates using Adaptive Office Connect for all business units; Preparation of consolidated budget and forecast financial statements including variance analysis; and Coordination with various groups for collecting information relating to budget and forecast assumptions and timely upload of the assumptions in Adaptive.

Supporting the Corporate Reporting team in preparing quarterly and annual working papers in support of EPCOR's external reporting requirements. Undertaking or assisting with Consolidated Reporting & Analysis projects as required.

What's required to be successful

A diploma in Business, Finance, Accounting or Computing Science from a recognized educational institution is required; a degree in Business, Finance or Accounting from a recognized educational institution is considered an asset. A minimum of five (5) years of relevant experience in a corporate environment including direct or indirect exposure to public company and/or regulated utilities accounting and reporting. Basic understanding of accounting concepts and experience with consolidation of budget and forecast. A minimum of three (3) years of experience working with Adaptive Insights or similar planning tool, Application support and/or configuration/modeling experience. Business processes and process redesign experience. Advanced knowledge of Microsoft Office Suite, including modeling and reporting in Excel and editing and formatting in Word. Advanced user of MS Outlook, MS Power Point, MS Teams and Zoom. Attention to detail, critical thinking and project management skills. Exceptional written and verbal communication skills and ability to build effective working relations with both internal and external stakeholders. Ability to work independently and / or as part of a team. Resourceful and curious in problem solving techniques. Ability to work in a fast-paced environment. Ability to successfully manage and prioritize multiple, sometimes conflicting, assignments to delivery on-time, on-budget, high quality deliverables.

Other important facts about this job

Jurisdiction: CSU52 Class: T2 Wage: Starting at \$43.43 per hour. Placement is based on qualifications, credentials and experience. These rates may change subject to ratification of a new Collective Bargaining Agreement. Hours of work: 80

hours biweekly. This position has varying working hours to accommodate migration of Adaptive Insights configuration changes. This includes starting earlier than, or working later than, normal working hours. It may also include working over the weekend for major configuration changes. Advanced notice will be provided in such circumstances. Application deadline: February 2, 2022 Learn more about Working at EPCOR!

#LI-TA2 Please note the following information: A requirement of working for EPCOR is that you are at least 18 years of age and legally entitled to work in Canada. (A copy of a valid work permit may be required.) If you are considered for the position, clearance on all applicable background checks (which may include criminal, identity, educational, and/or credit) and professional reference checks is required. Some EPCOR positions require an enhanced level of background assessment, which is dictated by law. These positions require advanced criminal record checks that must also be conducted from time to time after commencement of employment. A technical/practical assessment may be administered during the selection process and this exercise will be used as a part of the selection criterion. To meet the physical demands required of some positions, candidates must be in good physical condition and willing to work in all weather conditions. Clearance on pre-placement medical and drug and alcohol testing may be required.
