

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Company EPCOR

Location Edmonton, Alberta

Date Posted From: 2022-01-14 To: 2050-01-01

Job Type: Full-time Category: Utilities

Description

In order to ensure the health and safety of our teams, EPCOR requires all new hires to be fully vaccinated against COVID-19. Candidates who cannot be fully vaccinated on the basis of a protected legal ground may request an accommodation. We ask all candidates to consider this requirement when applying for a role at EPCOR. Highlights of the job

Do you enjoy working in a fast-paced environment with high volume, variety and multi-tasking Do you have experience working in a laboratory environment If so, we are looking for an individual like you who has exceptional organizational skills and is self-motivated. We are hiring two FT Temporary Laboratory Assistants for up to 11 months, working out of the Rosssdale Water Treatment Plant and Gold Bar Wastewater Treatment Plant in Edmonton, AB! What you'd be responsible for Reporting to the Laboratory Operations Manager, the Laboratory Assistant will be accountable for, but not limited to: Cleaning and preparing routine and specialized glassware for the lab using standardized procedures and protocols. Ensuring necessary material supplies are consistently available to the laboratory staff. Collecting reservoir, distribution, and Water/Wastewater Treatment Plant samples in a safe and timely manner. Collecting water samples from businesses, fire stations and other locations within the City of Edmonton water system and Wastewater Treatment Plants using standardized procedures to meet Alberta Environment Regulatory requirements. Preparing and packing sample bottles for commercial and external site water testing. Maintaining critical laboratory support equipment, such as deionized water units and dishwashers. Delivering samples to laboratories for EPCOR, Public Health and other businesses as required. Preparing the necessary documentation and paperwork for samples and entering information into a Laboratory Information Management system (LIMS). Organizing the laboratory supply inventory flow and keeping track of laboratory stock. Arranging the shipping and receiving of laboratory materials. Performing errands for materials and supplies, and picking up samples from locations such as bus stations and airports. Performing occasional special project sampling, including samples from residential homes. What's required to be successful

Qualifications, experience and behaviours you possess are: Grade 12 diploma or equivalent. 1-3 years of experience in a laboratory environment. Previous experience operating laboratory equipment, such as dishwashers and deionizers. Basic computer skills and demonstrated proficiency with Microsoft Office Suite (Word, Excel, and Outlook). Ability to meet the physical demands required

of this position, which includes lifting/carrying weights up to 20kg (45lbs) on a daily basis. Valid Class 5 Alberta Motor Vehicle Operator's License.

As our best candidate, you show a passion for learning, are a strong problem solver, and are highly efficient. You possess excellent verbal and written communication skills, and can work productively with little supervision. You are highly motivated, demonstrate a strong work ethic, and possess an ability to work effectively within a team dynamic. You are able to manage conflicting priorities throughout the day with minimal supervision and take initiative when completing tasks in a timely manner and to a high standard. Other important facts about this job
