

# TRAINING AND FIRST NATION EMPLOYMENT OPPORTUNITIES

Become a key part of your community health team!

If you have an interest in conducting x-rays and laboratory sampling, the **Diagnostic Support Worker** program might be right for you!

This important Clinical Care Transformation initiative, provided by Manitoba Keewatinowi Okimakanak Inc., in partnership with Indigenous Services Canada and Red River College, is designed to improve access to medical services to Manitoba First Nations Communities, and build capacity through education and job creation.

For more information and to help us measure interest levels from Manitoba's First Nations Peoples to enroll in the 'Diagnostic Support Worker' Training Program, visit:

**[GoToSurvey.ca/MKO](https://gotosurvey.ca/MKO)**

You can also pick up a paper copy of the questionnaire at your local Nursing Station.

If you have any questions, or for more information:
